

# International Education Evaluations are NOW in the Ohio Professional Registry!

**NO COST  
TO YOU!**

Did you graduate high school or college from a school/university outside of the United States?

Do you need education verified in the Ohio Professional Registry (OPR)?

**If you answered "Yes!" to both of those questions, then this is the program for you!**

The Ohio Professional Registry (OPR) now offers International Education Evaluations at no cost to you! Simply complete an application via your OPR profile and submit all your original education documents for review. The OPR will process your application within 30 business days and determine if your education is equivalent to education here in the US.
