SUBJECT: Pandemic Support Payments: Type A Homes, Type B Homes and In-Home Aides

Background:
On May 31, 2020 child care reopened with reduced class sizes, increased hand washing, temperature screening, and additional recommendations to keep children and professionals’ health and safety the top priority. Governor DeWine announced an additional $60 million investment for early care programs by creating a grant program in order to help support programs during this time. As a result, the Ohio Department of Job and Family Services issued Family Child Care Center Manual Procedure Letter No. 2 and Child Care In-Home Aide Manual Procedure Letter No. 5 to establish the grant structure for June 2020. Family Child Care Center Manual Procedure Letter No. 22 and Child Care In-Home Aide Manual Procedure Letter No. 6 were issued to convey the grant structure for July 2020.

The Ohio Department of Job and Family Services (ODJFS) has established the grant structures outlined below by program type.

COVID-19 Support Grant Payment:
Licensed, approved and certified child care providers (Type A homes and Type B homes and In-Home Aides) that are newly licensed/certified in August and programs licensed/certified prior to March just re-opening for the first time will be eligible for a monthly COVID-19 payment. These payments are intended to provide assistance in covering the cost of COVID-19 classroom dividers, cleaning supplies, personal protective equipment (PPE), temporary sinks, thermometers, and other expenses.
