
Professional Early Childhood Inclusion Credential (PECIC) User Guide

With Ohio PROMISE, Ohio is on its way to ensuring that every Ohio family is healthy and supported when needed. Children with disabilities must be included with their friends, neighbors, and peers from birth so they can thrive wherever they live, play, and learn. The Professional Early Childhood Inclusion Credential (PECIC) was created to raise the level of awareness, knowledge, competency, and confidence of professionals attending to the needs of children with disabilities, their families, and creating an inclusive environment for all children.

This credential was created by the Ohio State Leadership Team on Early Childhood Inclusion, a dedicated group of state agency and organization professionals working with teachers and parents, to identify where Ohio is in its implementation of high-quality indicators of inclusion.
